

Thank you for your interest in donating securities to Vancouver Asian Canadian Theatre (vAct). A gift of securities is a cost and tax effective opportunity to transform an asset into immediate and significant support for Asian Canadian theatre in Vancouver. By donating publicly traded securities (stocks), you may eliminate the capital gains tax that becomes payable if you were to sell the appreciated securities on the market. We recommend you speak with your financial advisor as everyone's tax situation is unique.

Transferring securities is very easy to do and must be activated through your broker. Simply follow these 2 easy steps:

Step 1:

Complete all sections of the securities transfer form.

Please complete the Donor Information section, including your daytime phone number with area code. Your advisor/broker will provide the CUSIP #. Advise your broker or investment advisor of your wish to make a gift of securities to vAct.

Step 2:

Email the completed transfer form to your broker or investment advisor.

Your broker or investment advisor is responsible for initiating the transfer. Your broker will deliver the form and the securities to our agent, Raymond James Ltd.

Additional Information

Securities/shares/stock are considered legally transferred only when our custodial agent Raymond James Ltd. confirms delivery. Your receipt is valued based on the closing price on the day when the shares are legally transferred to vAct's account. vAct's policy is to sell the shares as soon as possible after they have been received.

Upon receipt of the transferred securities (which may take up to two days – or a few weeks in the case of mutual funds) to vAct's brokerage account, Raymond James Ltd. will advise us in writing of the receipt of the securities and the closing bid value.

Thank you again for ensuring the longevity of Asian Canadian theatre in Vancouver. If you have any questions or concerns, please do not hesitate to contact:
